Case No.:

In Re the Matter of:  
Louise Sundberg

**Plaintiff / Petitioner.**

Defendant / Respondent

12 Plaintiff / Petitioner,  
13  
14 ~~US Govt & CIA~~ ① Anaheim Police  
15 Defendant Respondent ② Department (CIA) Agents  
16 US Marshalls ~~affidavits~~ Central Intelligence

I am seeking to sue the US govt and its affiliates for abuse of their power against me for which the reason to me is unknown. All I know as of today I have reached a point of no return because I am constantly being threatened by the US Gov't that I am gonna get killed, I am including this on here as a SOS since they claim today might be the day I die. On top of harassment, oppression, sabotaging my potential employment, hacking my phone w/out following their protocols which include probable cause & a warrant. Because of this ~~my~~ electronic espionage for whatever reason 2 phones have been destroyed due to their interference & I had

to purchase new phones on 2 occasions.  
 I don't have that type of money or  
 time to play games w/ govt that are not  
 clear of why they have targeted me. I  
 actually know they are out to kill me for  
 a few years now. The 1st person they sent to  
 me to kill me admitted to me that they  
 hired him to do their dirty work. His name  
 is Mano Enriquez & he resides in Anaheim.  
 This hire was going back to 2017 - 2018 & he  
 actually admitted it to me about 4 year ago  
 when I told him what I had going on recently.  
 This new person targeted to kill me is  
 named Andrew J. Davis, he too ended up not  
 being able to complete the mission, but  
 instead threw the CIA's Marshall's  
 under the bus & I believe him because when  
 we first met he tried killing me 3 times  
 but failed & over the fact that he was unable  
 to go forth w/ it is because I always showed  
 him compassion & forgave him, but this is just  
 a little ~~bit~~ info because I have much more  
 & I can prove it, but its so you know that I  
 am directly pointing @ the US govt because I  
 for a fact know it is them since the 1st 3 attempts  
 of Andrew seeking to take my life there was  
 probable cause to arrest yet they didn't my  
 face was bruised up completely & the other 2  
 final attempt my lung was punctured yet  
 they never chased after him, he just walked

1 out nonchalantly made zero efforts to get  
 2 me justice. Instead gave me a hard time  
 3 while on the floor not being able to breathe  
 4 asking me questions rather than taking me  
 5 to the hospital. I got so shocked at the reality  
 6 that Andrew was telling me the truth.  
 7 I also want to sue the US Gov't for constan  
 8 mental anguish, <sup>(NAZI sign)</sup> vandalizing my vehicle,  
 9 hiring false witnesses to gas light & get  
 10 me to react so they can ruin my reputation  
 11 & allow me to be framed to be a troublemaker.  
 12 which I am not. They also use intimidation  
 13 to cause / or implement fear in me.  
 14 USPS keeps leaving keys in my box & positioning  
 15 for me to read it since it states US property.  
 16 there's no reason to be leaving keys in  
 17 my mail box. Also I suspect privacy invasion  
 18 due to finding ~~2 times~~ on 2 occasions  
 19 both my tires of my bike flat & that was  
 20 odd because it was 2 days after I had  
 21 gotten a seal protector for my tires so  
 22 they can last longer. I will be attaching a  
 23 few things today, just to get the ball rolling  
 24 for now, but I have much more than  
 25 this. Lastly @ my Football Regional Med Cntr  
 26 job they actually got into my oracle & inputted  
 27 another employee acct into my acct. seeking to  
 28 build a false case against me. I'm sure there's  
 more. Thank so much, but please give  
 me the opportunity to put these bills in their place by  
 hearing me out.

1 also I forgot to add that in  
 2 these times where I have been in  
 3 danger @ my own residence, I called  
 4 Anaheim Police Dept & more than  
 5 2 times they have not showed up  
 6 & instead gave me an excuse of  
 7 them being busy, yet my call was  
 8 a life or death situation, also  
 9 giving me a feeling that yes they  
 10 too as gov't affiliates are  
 11 aware of my hired hit targeting  
 12 to kill me & that's what they  
 13 wanted since they obviously weren't  
 14 to concerned to come aid me, yet  
 15 when someone calls the police on  
 16 me, & not being me the problem,  
 17 they arrive in 2 mins., I feel  
 18 discriminated against, given  
 19 no answers, when I myself  
 20 contacted the Marshalls they  
 21 asked who the target was & I  
 22 said I was, They began to  
 23 stutter & get nervous. All  
 24 I wanted was to talk to the one  
 25 in charge to ask (a least  
 26 why I'm such a threat since  
 27  
 28

pg. 4

1 they're dying to kill me. He  
 2 just said their boss wouldn't  
 3 talk to me, I just gave me a  
 4 #. Therefore what else is  
 5 there to do when the heroes  
 6 are also criminals worse  
 7 than me & you. Thanks so much  
 8 & God bless all I ask is for  
 9 a chance to prove my case in  
 10 completion, Because this not ok  
 11 I am glad they picked me so I  
 12 can rise for all human kind.

16 Also just to be safe, I am gonna mention  
 17 the fact that I feel they want to set  
 18 me up, because the apt complex I live  
 19 in isn't your ordinary, every one seems to  
 20 ~~behave suspiciously~~ behave suspiciously &  
 21 ~~I never see any cops driving by to patrol the~~  
 22 ~~area for our safety~~ I also think they would build  
 23 anything fraudulent even if it  
 24 means using my past like they  
 25 always do.

Following text screen shots are a conversation w/ the hired assassin speaking about his micro chip & stating his unsuccessful attempt in killing me. although I don't really blame Andrew for his actions but rather the ones guilty for his actions are the ones in charge of altering the chip, the implanter the puppet master.
